

Declaration of Covenants, Conditions and Restrictions

Sample document for the Willow Creek HOA demo. Not a real governing document.

Article 1. Purpose

This Declaration establishes Willow Creek Homeowners Association and the covenants that run with every lot in the community. Each owner, by accepting a deed, agrees to be bound by it.

Article 5. Assessments

5.1 Each lot is subject to a monthly assessment set by the Board in the annual budget.

Assessments are due on the first day of each month.

5.3 An assessment unpaid fifteen days after its due date incurs a late fee of \$25.00.

Article 6. Maintenance

6.1 Owners shall keep lawns mowed, edged and free of weeds, and shall keep landscaping in good condition.

Article 7. Architectural Control

7.1 No exterior change, addition or structure may be made to any lot without prior written approval of the Architectural Committee.

7.3 Solar energy systems are permitted. Roof-mounted panels shall be flush-mounted and, where practical, placed on roof slopes not facing the street.

Article 8. Use Restrictions

8.4 Accessory structures such as sheds may not exceed 100 square feet or 8 feet in height and must be screened from the street.
